Governors leading on sustainability

Conservation across the Primary Curriculum

CPD Session for Primary School Teachers leading
on sustainability

'Unlock the positive potential of sustainability in your school'

Kick Start Sustainability

Unlock the positive potential of sustainability in your school chaired by Lydia Meryll,
School of Environment, Education and Development, Manchester University,
Senior Knowledge Exchange Fellow.

Governing bodies are asked to pledge action on environmental sustainability. See how you can make the pledge without creating an onerous task for your school.

Schedule

09:15:	Registration and an opportunity to explore the marketplace
Break	Coffee and refreshments
	CPD Session
Lunch	Zero Waste Lunchtime - please bring your own lunch Amy Meek - Plastic Clever Schools
14:30	Close

The CPD session is aimed at adults or school leaders with a role in sustainability in their school.

CPD Contributors
